

WRITE YOUR OWN PAYCHECK!

Monthly Residual Income... you decide how much ... your pay line will continue through INFINITY... "One Time" out of pocket cost of \$50 and 20 stamps... you do not have to pass any of your referrals up to your sponsor or anybody else... no computer required.

HERE IS HOW IT WORKS:

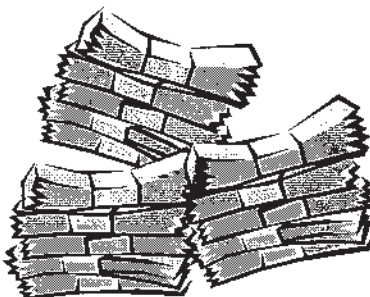

You send \$50 and 20 stamps to your sponsor. Your referrals will do the same for their sponsor which is you. When your income reaches \$100 you must start sending your sponsor \$50 and 20 stamps every month starting with the day you receive your payment from your second referral. You keep \$50. When a member's Monthly Income reaches \$200, they must upgrade to \$100 and 20 stamps to their sponsor every month, they keep \$100. When the Monthly Income reaches \$400, members must upgrade to \$200 and 20 stamps to their sponsor every month, they keep \$200. When the Monthly Income reaches \$1,000, members must upgrade to \$500 and 20 stamps to their sponsor every month. They keep \$500. This is the final upgrade... your referrals will follow you through all the upgrades.

If anybody does not follow through with their monthly payment or any of the upgrades, their entire pay line will be transferred to their sponsor.

Everybody must start at the \$50 level and upgrade through all of the levels. The monthly payments will always go to the sponsor. It will make no difference if any of your referrals progress through the upgrades faster than you or slower than you. Your monthly payment will be determined by the level your referral has progressed to. You will never lose any of your referrals from your pay line!

You decide how much additional money every month would make a difference in your life. When you have that figure in mind, you will know exactly how many new people you will need to refer. If you would like an extra \$2000 every month, you would need 5 referrals that have all upgraded to the \$500 level. You are now sending your sponsor \$500 and 20 stamps every month so, \$500 for you to break even and \$2,000 in your pocket.

All notification to send and receive payments, verification of a payment received, and all upgrades will be by a phone call between you and the monitor and between you and the person you are sending a payment to or receiving a payment from.
