

## EARN FANTASTIC MONEY, "FAST"!

Dear Friend,

There are only a few ways for the average person to easily make big money fast. If anyone should know about that, I should. Maybe you're a lot like I was, tired of the struggle to make ends meet. Over the years I've searched out many money-making concepts. I was determined to find the best, most honest, and the safest method of getting rich quickly. After several years I've found some excellent ways to make money, but I have not found anything better than this! At first, I refused to accept it. Making this much money this easily was too fantastic. It couldn't be true. BUT IT WAS! The proof was there.

This original money plan is the 2-PLUS-2 formula. It is different from anything you may have experienced. It almost seems to draw money like a magnet draws iron. It's so simple that anyone can learn the technique in a few minutes.

The 2-PLUS-2 formula has taken time to perfect, but is well worth the time spent. Once the full power of this wealth-building concept is put into practice, it's as if you had a key to a gold filled vault. You may soon be making more money in your spare time than you make at your full-time job.

What is this super money-making technique? Well, to learn that, you'll have to order the plan under my ironclad guarantee. Let me tell you what it is not. It's not one of the usual get-rich-quick plans you keep hearing about. Not mail order or envelope stuffing plans. Not pyramid systems or recruiting distributors. It has nothing to do with the stock market, real estate, coins, stamps, or other investments.

The 2-PLUS-2 formula is not a positive-thinking or a get-rich-with-your-mind theory. It is a specific money-making program that will work for everyone who uses it. Every penny you make is yours. Well, except for taxes, of course. It all comes in cold cash, ready for you to spend as you want. You can forget about paper profits or long term investments. I'm talking about money you can spend the minute you make it.

The 2-PLUS-2 formula is strictly a money-making concept. It is not a business. No merchandise, no employees, no office space is required.

You don't have to sell any products in person or employ others to sell anything. There is nothing to sell by phone or in person — EVER. it's super easy money-making.

This technique is legal, ethical and can be used by anyone with a little ambition. It takes an hour or less to learn. It's such an enjoyable way to make money most people

won't even call it work.

The 2-PLUS-2 formula is perfect for someone without much money to invest, because you can and should begin with no more than \$100. Of course, to use the system at its maximum level does require money. However, the formula itself will generate that money for you when you start with only \$100. But - it isn't even necessary to risk \$100 to prove to yourself the effectiveness of this technique. You can test the money-making powers of this plan without risk in the privacy of your own home. It takes just a few minutes a day and shouldn't interfere with your normal routine or your family life.

WHEN YOU RECEIVE THE 2-PLUS-2 FORMULA, I'LL SHOW YOU HOW TO PROVE TO YOURSELF, IN JUST FIVE DAYS, THE POWER OF THIS MONEY-MAKING SYSTEM. ONCE YOU TRY IT, THERE WILL BE NO QUESTION, NO DOUBT IN YOUR MIND ABOUT THE MONEY YOU CAN MAKE. THE PROOF IS SOLID AS A ROCK. YOU MAY BE SKEPTICAL NOW, BUT IN JUST FIVE DAYS, YOU'LL BE CONVINCED HUGE AMOUNTS OF MONEY CAN BE MADE JUST AS I SAY!

The 2-PLUS-2 formula costs just \$25.00 It is sent with an outstanding, ironclad guarantee. Test the 2-PLUS-2 formula at its maximum level for five days without risk in the privacy of your home. If the test doesn't show a minimum return of \$1,000.00 for the first five days, you may return the material sent you any time within 40 days, for a full refund. There is nothing hard about making money with this technique. All it takes is an interest in making real money and a little honest effort on your part. ORDER YOUR COPY OF THE 2-PLUS-2 FORMULA NOW!
